**EAST-NETHERLANDS**  
**SEPTEMBER 18-19, 2019**

Medical Devices Meetings Twente East-Netherlands is a specialty forum with an exclusive focus on the medical devices supply chain. MDM Twente East-Netherlands will bring together engineering, fabrication, supply chain teams, contract manufacturers and service providers through pre-arranged meetings.

MDM Twente East-Netherlands is not another exhibition. It offers a unique platform to identify all the participants prior to the event, request meetings with relevant contacts and meet them face-to-face during the forum.

## EXPECTED KEY FIGURES

**150** companies

**2500** BtoB meetings

**10** countries represented

## PARTNERS INVOLVEMENT

*The MDM is an excellent platform for connecting relevant stakeholders in the medical technology industry. Pre-scheduled one-to-one meetings offer an optimal time-to benefit-ratio allowing people to effectively exchange information and meeting suitable business partners among manufacturers, suppliers, service providers and researchers.*

**Mr Professor KINDERVATER**

*The World Trade Center Twente has been organizing medical technology missions to Germany for a number of years. By hosting the Medical Devices Meetings in Twente, we can show that we have a strong cluster of companies in the area of Life Science & Health.*
